

NEW YORK STATE ASSOCIATION OF MATHEMATICS TEACHER EDUCATORS

Presents

NYSED UPDATE

**Andrea Faoro, Associate in Instructional Services – Mathematics
Office of Standards and Instruction
New York State Education Department**

**THURSDAY, SEPTEMBER 28, 2023
4:30 – 6:00 PM VIA ZOOM**

This free virtual presentation will focus on the implementation schedule for the NYS Next Generation Mathematics Learning Standards and resources that the Office of Standards and Instruction and the Office of State Assessments created for the field. Other statewide initiatives will also be shared.

**REGISTER BY SEPTEMBER 27 AT [NYSAMTE.ORG/EVENTS](https://nysamte.org/events) OR
USE THIS [REGISTRATION LINK](#)**

Andrea Faoro is a NYS certified mathematics teacher who taught eight years for Schodack Central School District in Castleton, NY. She also taught at Hudson Valley Community College for two years before coming to the New York State Education Department. She has been with NYSED for four years and currently works for the Office of Standards and Instruction.
